

Dear Parents,

Greetings from NEC!

Maintaining positive and clear lines of communication and cordial relationship with the parents and all stakeholders is a core aspect of Navkis Educational Centre. It is evident that students achieve more when schools and parents work together.

Reinforcement of the concepts learnt at school is an important exercise that every child has to practice. To make it a seamless activity we have come up with a homework timetable that will facilitate children to do their homework systematically and stress free.

HOME WORK TIME TABLE					
GRADE 1 TO 5			GRADE 6 TO 10		
MONDAY	MATH	ENGLISH	MONDAY	MATH	SCIENCE
TUESDAY	MATH	II LANG	TUESDAY	MATH	ENGLISH
WEDNESDAY	MATH	SOCIAL	WEDNESDAY	MATH	II LANG
THURSDAY	MATH	III LANG	THURSDAY	MATH	SOCIAL
FRIDAY	MATH	SCIENCE	FRIDAY	MATH	III LANG

We would like to share some tips with you in this context:

- Do make time for your child and involve yourself in his/her journey of learning.
- Talk to him/her about school and the activities involved in by the child.
- Do discuss topics dealt with in school with the child and the application of these thoughts in everyday life.

With Regards,

Dr. S. Jayashree Muralidhar
