Dear Parents,
Greetings from Navkis!

Inculcating the knowledge of rich culture in young minds is as important as enriching them with phantoms of imagination.

We at Navkis are excited to announce that the “**Ramayana/Mahabharata**” classes will be conducted from **Grade 6 to 9** during their respective language classes. These epics teach invaluable lessons of life which children absorb from an early age through these classes.

Also note that the exams will be conducted for these classes in **Grade 8 and 9**. Certificates will be awarded by the most prestigious institutions “**Bharatha Samskruthi Prathisthana**”.

Looking forward for an enthusiastic participation.

Regards,
NEC
