

Dear Parents,

Greetings from NEC!

We wish to bring to your kind notice the changes in the working Saturday's every month with effect from October 15, 2022.

From the beginning of this academic year first Saturday of every month was a non-working day and the campus remained closed.

Going forward the school campus will remain close on the 2nd and 3rd Saturday's of every month and is considered as a non-instructional day.

The 1st, 4th and the 5th Saturday's of every month are considered as working Saturday's. The students from Gr5-Gr10 will attend school from 9am-12.30pm.

However, the classes from Gr1- Gr4 remains closed on all the Saturday and this remains unchanged.

Parent teachers meeting will be held on 4th Saturday of every month.

The school buses will ply on the working Saturdays.

Looking forward to your continued support!

Thanking you

With Regards

NEC
