

Dear Parents,

Greetings from NEC!

Maintaining positive and clear lines of communication and cordial relationship with parents, Navkis Educational Centre has come out with Almanac 2022-23.

Navkis Education centre works very closely with parents to bring out the best in your wards. Reinforcement of concepts learnt at school is an important exercise that every child has to practice. We have come up with the homework timetable that will facilitate the children to do their homework systematically.

HOME WORK TIME TABLE					
GRADE 1 TO 5			GRADE 6 TO 10		
MONDAY	MATH	ENGLISH	MONDAY	MATH	SCIENCE
TUESDAY	MATH	II LANG	TUESDAY	MATH	ENGLISH
WEDNESDAY	MATH	SOCIAL	WEDNESDAY	MATH	II LANG
THURSDAY	MATH	III LANG	THURSDAY	MATH	SOCIAL
FRIDAY	MATH	SCIENCE	FRIDAY	MATH	III LANG

We would like to share some tips in this context:

- The Almanac will be issued on 01/08/2022 and 02/08/2022.
- Parents to fill in the wards details in all the three sheets provided in the Almanac by 04/08/2022(Thursday) and submit to their respective class teachers the pink and the yellow sheet.
- Home assignments and other details will be mentioned in the Almanac. Parents need to check the same on the daily basis and acknowledge without fail.

With Regards,

Dr. S. Jayashree Muralidhar
