This organization now has nearly 280,000 members in over 14,700 clubs in 144 countries, offering a proven – and enjoyable way to practice and hone communication and leadership skills. Through its member clubs, Toastmasters International helps men and women learn the art of speaking, listening and thinking – vital skills that promote self-actualization, enhance leadership potential, foster human understanding, and contribute to the betterment of mankind.

Gavel Club:

Gavel club is a student wing of Toastmaster's International. Children in school go through the same structure and rigor of the Toastmaster's International in learning effective speaking skills. The Gavel clubs have immensely benefited the young orators in honing their speaking skills. We at NAVKIS, believe that our children should get the best of all facilities. We propose to start the Gavel Club to hone the Public Speaking skills of our students.
