Grade : I-X

Date:12/01/2023

Dear Parents,

Greeting to you!

As you know our **School Annual Day** is fast approaching and children are busy rehearsing for this day.

Tentatively the Annual Day has been scheduled for the **28th January, 2023**. The costumes, props and other paraphernalia as required for these various items are in the process of being finalized and purchased. The practice sessions have been in progress.

We at NAVKIS believe that every child has immense potential and hidden talents and we strive to bring out the best in each child and follow the policy of **NCLB- No Child Left Behind**.

Utmost care is taken to ensure that every child is given a chance to come on stage to showcase their talents.

Please note that your ward has been selected for one of the items to be staged on the day. You are requested to send **Rs 850/-** (Eight hundred and fifty only) towards the Annual Day function on or before the **18th of January, 2023** to the respective class teachers.

Thank you and look forward to your support and co-operation,

Regards

Principal
