

Dear parents,

Greetings to you!

The ANNUAL EXAMINATION for Grade V TO VIII commences from the week beginning 21st MARCH 2022. The portion and the schedule for the assessments subject wise has been attached along with this note. Assessments will begin from 21st MARCH 2022 and will go on up to the 1<sup>st</sup> April 2022. **The school will work half a day on the days of assessment for Grade V to VIII students. Children will report to school at 1pm and will go home at 3pm to give them adequate time to work at home as well.** I have herewith shared a few tips that you need to keep in mind while dealing with your ward at this juncture.

- Please monitor the time the child spends watching television or using the net at home.
- Check and make sure that the given revision work is completed.
- Provide proper study environment at home by avoiding family outings/ get-together/ visits.
- Help him/her set realistic goals. Provide guidance in the subject he /she needs your help in.
- Coordinate with the subject teachers of the school in case you need help for your child.
- Please ensure that the child has a well-balanced diet and regular exercise.

Best regards,

Dr. S. Jayashree Muralidhar

**Principal**
