- Performance task for Grade I to IV will be conducted on the same day of written exam from 10:45 am to 2:00 pm.
- Please monitor the time the child spends watching television or using the net at home.
- Check and make sure that the given revision work is completed.
- Provide proper study environment at home by avoiding family outings/ get-together/ visits.
- Help him/her set realistic goals. Provide guidance in the subject he /she needs your help in.
- Coordinate with the subject teachers of the school in case you need help for your child.
- Please ensure that the child has a well-balanced diet and regular exercise.
