Respected Teachers,

The father's day celebration through online mode was extremely good at NEC on [21.06.2021](#) Father- daughter/son relationship can't be expressed in terms of words. It shows the bondage and natural love and affection between them. Teachers have organised wonderful event and created atmosphere of offline kind through virtual form. I really appreciate the work and efforts of teachers at NEC. Thank for giving an opportunity to participate in this event.

Thank you and Regards,
