## VIRTUAL PICNIC DAY

The virtual picnic for the kids was well thought off and nicely conducted by the teachers. Children enjoyed the experience of seeing the elephant, snack time and followed by the music and dance. It was indeed a picnic well enjoyed by the kids.

Firstly I would like to thank Navkis team and teachers who made the session more constructive and collaborative. Your patience and commitment on supporting my child was excellent. She enjoyed whole session. Teachers made every child to feel and enjoy which made each child to concentrate the entire session held. Overall the children's much needed session during this pandemic situation. I once again thank entire team for such wonderful session.

Today's virtual picnic was with fun and informative. My daughter enjoyed it. It give some changes to kids during these lockdown situation as they not have any outdoor activities.

Thanks  
Avinash, Chirasvi's father.

I'm Saipadhma, mother of V.Adhrit, of class II A. Adhrit enjoyed the virtual trip of going to Nehru zoo, Hyderabad a lot. The arrangement was very safe and helpful to children to engage in a virtual trip. The way the teacher explained was very lively and classy.
